MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE AND DEVELOPMENT INDUSTRY DEVELOPMENTS:

The NBFC sector in India has undergone a significant transformation over the past few years. It has come to be recognized as one of the systemically important components of the financial system and has shown consistent year-on-year growth. NBFCs play a critical role in the core development of infrastructure, transport, employment generation, wealth creation opportunities, and financial support for economically weaker sections; they also make a huge contribution to state exchequer.

For a large and diverse country such as India, ensuring financial access to fuel growth and entrepreneurship is critical with the launch of government-backed schemes (such as the Pradhan Mantri Jan-Dhan Yojana [PMJDY]), there has been a substantial increase in the number of bank accounts; however, a mere 15% of adults have reported using an account to make or receive payments. The government and regulatory bodies have taken decisive steps to increase this number (and subsequently financial access) by granting in-principle licenses to as many as 21 players to establish specialty banks over the next 18 months. This is over and above the focused approach of the other industry bodies such as the National Payments Corporation of India (NPCI) to further strengthen and augment the payments ecosystem by launching the Unified Payment Interface (UPI) and Bharat Bill Payments System.

The introduction of such specialized players and systems will truly transform the banking value chain in its entirety. This presents a strategic opportunity for NBFCs to ensure sustainable growth over a long term. Partnerships with payments banks, bill payment providers and other financial institutions, such as insurance and asset management companies will help NBFCs offer the complete proposition—that is, from deposits to lending, investments and transactions. The reach of NBFCs, along with their strong understanding of the market, can help them position themselves as a better alternative to the traditional ways of banking.

OPPORTUNITIES:

Reports from the World Bank indicate that Non-Banking Financial Institutions act as critical pillars contributing to macroeconomic stability and sustained economic growth and prosperity, due to their ability to finance firms and individual at a reasonable cost, reduce volatility by providing multiple sources to finance and park funds and enable creation of a competitive environment characterized by a diverse array of products. This has been proven time and again in developed markets.

Non-Banking Finance Companies (NBFCs) continue to play a critical role in making financial Services accessible to a wider set of India's population and are emerging as strong intermediaries in the retail finance space. Going forward, one should expect NBFCs to further strengthen their presence in retail finance and grow at a reasonably healthy pace.

THREATS:

The biggest challenge before NBFCs is that they are facing stiff competition from banks and financial institutions, due to their ability to raise low cost funds which enables them to provide funds at much cheaper rate. More stringent capital adequacy norms have been stipulated by RBI for NBFCs which is making difficult for them to give cheaper finance. Ever-increasing competition from commercial

counterparts whose capacity to absorb losses is higher, counter-party failures, recommendations being made to increase the purview of monitoring by regulatory authorities increase the threat of losing the essence of Non-banking Finance Companies which are specifically designed to reach out and finance certain target groups.

OUTLOOK:

NBFCs have proven their mettle in many other specialized financial services such as factoring, lease finance, venture capital finance, financing road transport and also in the business of securities-based lending such as Loan against Shares, Margin Funding, IPO Financing, Promoter Funding etc. They have also been providing a major boost to Micro Small and Medium enterprises and other avenues where banks exercise cautious lending. All the above factors further emphasize the potential and opportunities in store for NBFCs and the regulations when designed to provide the right environment, provides impetus to the growth of the sector.

The Company hence wishes to diversify its lending activities in the coming period and shall embark on this path and move forward once the existing investments, which are at an incubating stage begin to bear fruits.

RISKS AND CONCERNS:

The Company recognizes that risk is an integral and unavoidable component of business and is committed to managing the risk in a proactive and effective manner. In today's challenging and competitive environment, strategies for mitigating inherent risks in accomplishing the growth plans of the Company are imperative. The common risks for the Company are financial risks, credit risk, liquidity risk, market risk etc. The Company adopts a systematic approach to mitigate risks associated with accomplishment of objectives, operations, revenues and regulations. The Company believes that this would ensure mitigating risks proactively and help to achieve stated objectives.

The NBFC industry in general faces the risk re-entry and new entry of players and existence of several unorganized regional players increasing the competition which mainly affects the asset quality. This is further characterized by captive NBFCs floated by other business houses. The ever existing systemic and delinquency risks and fluctuations in interest rates and risk weight make the companies more vulnerable. Deployment of funds in sensitive and volatile sectors increases the risk exposure while concentration risk increases dependency.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

Internal Control measures and systems are established to ensure the correctness of the transactions and safe guarding of the assets. The Management ensures adherence to all internal control policies and procedures as well as compliance with regulatory guidelines. The Board reviews the adequacy of internal controls. This has improved the management of the affairs of the Company and strengthened transparency and accountability.

HUMAN RESOURCES:

The Company always considers its human resources as a valuable asset and is committed towards their development for continuous growth. Focus on training to enhance the skill-sets of employees in line with the business and market requirements continued throughout the year.

CAUTIONARY STATEMENT:

Statements in the Management Discussion and Analysis Report describing the Company's objectives, projections, estimates, expectations or predictions may be "forward looking statements" within the meaning of the applicable laws and regulations. Important factors that could influence the Company's operations include economic and political conditions in which the Company operates, interest rate fluctuations, changes in Government / RBI regulations, Tax laws, other statutes and incidental factors.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2021 its Profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors and Management is responsible for the preparation of the other information. The other information comprises the information obtained at the date of this auditor's report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged With Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of

not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
